

Addendum to the 2006-2007 and 2007-2008 Bulletin

Change Page 28 V. COST Tuition : Tuition for each semester hour per semester (excluding applied music) \$ 185.00 beginning Fall 2007

The following courses have been added to the Bulletin

College Publications Lab: Yearbook COMM 1131, 1132, 2131, 2132

A course designed for students interested in desktop publishing, writing, and photography. Students gain practical publishing experience while producing the *Guiding Light*, the yearbook of Jacksonville College. Course meets 3 hours per week. Laboratory fee of \$ 35.00 applies.

DRAM 1352 Acting II

A continuation in the theory and practice of acting and practical experience in problems of creating characterization with emphasis on developing vocal and physical skills. Prerequisite: DRAM1351

ARTS 2316 Painting I

A basic course for those wishing to develop skills in painting. Through a series of projects beginning with a simple thumbnail and enlargement, students will consider composition, the ordering of space, the illusion of depth, and the interaction of color through value balance and color mixing. This course is specifically designed for students of the Representational Arts. Projects include acrylic paintings, pastel paintings, murals and refined drawings.

MATH 0106/108 – Math Lab for Developmental Algebra

A required non-credit course that accompanies Math0306 and 0308. Computer-based, hands-on practice to develop skills required for problem solving in algebra.

The following course descriptions have been amended in the Bulletin

READ 0100 Reading Lab

This course is designed to help the student develop strategies for effective reading and critical analysis of textbook and literary readings. It is coordinated with READ0 300 to emphasize the acquisition of vocabulary and development of literal and inferential comprehension skills. Non-credit Students must enroll in READ 0300.

READ 0300 Developmental Reading

Designed to improve reading skills necessary for college-level academic work. Non-credit Students must enroll in READ 0100.

DRAM 1351 Acting I

Covers theory and practice of acting with students gaining practical experience in development of vocal techniques and physical techniques. Prerequisite: DRAM1310
